# River of Stars

**Little Big Town**

When static seems to fill the air
Lying next to you and you're not there
You thought that they were out of sight
But in the dead of night

Anytime you reach for me
I give my love and honestly

I'd paint a river of stars for you
Cross the ocean of sapphire blue
Anything I have to just to get to you
I'd paint a river of stars for you

You said you call out my name
I called you but you never came
It's only time that drifts away
My love remains
Anytime you reach for me
I'd give my love and honestly

I'd paint a river of stars for you
Cross the ocean of sapphire blue
Anything I have to just to get to you
Doesn't matter what we've been through
Doesn't matter
Doesn't matter
Doesn't matter what we've been through
I'd paint a river of stars for you

I'd paint a river of stars for you
Cross the ocean of sapphire blue
Anything I have to just to get to you
Doesn't matter what we've been through
Doesn't matter
Doesn't matter
Doesn't matter what we've been through
Doesn't matter
Doesn't matter
Doesn't matter what we've been through
I'd paint a river of stars for you (for you)
