## Little Big

Bbno\$  
Little Big  
Baby little big money  
Yeah

Do-do-do-do-do  
Shit happens  
Do-do-do-do-do  
Right now  
Do-do-do-do-do  
Shit happens  
Do-do-do-do-do  
Right now

I'm here now, the party startin'  
Little big money chartin'  
Go-go gadget, Ricky Martin  
Oprah Winfrey, now we talkin'  
Pop 'em bottles off of Everest  
Money long, it's evident  
Longer than it's ever been  
Stroke game feel so elegant  
Woo, stunting like my daddy  
He did really well, but I'm richer than him  
Now I want some kids to stunt on  
Well I'll be richer than them  
And that's just facts  
My money's maxed  
I'm paying tax, bitch, I'm counting up them racks (Skrtrt)

Do-do-do-do-do  
Shit happens  
Do-do-do-do-do  
Right now  
Do-do-do-do-do  
Shit happens  
Do-do-do-do-do  
Right now  
Do-do-do-do-do  
Do-do-do-do-do  
Do-do-do-do-do  
Do-do-do-do-do

Did a show in Quebec  
Bunch of fans, I got a check  
Went to Vegas, placed a bet  
Lost my girl, lost my jet  
Shit happens  
At least I got a mansion  
My closet's full of fashion  
And in my pants I'm packing

Baby, no, it doesn't matter  
If we lose the glamour  
Know that I will be there for you  
Wouldn't change you for another  
Money's just a number

I will always be there for you

Do-do-do-do-do  
Shit happens  
Do-do-do-do-do  
Right now  
Do-do-do-do-do  
Shit happens  
Do-do-do-do-do  
Right now  
Do-do-do-do-do  
Do-do-do-do-do  
Do-do-do-do-do  
Do-do-do-do-do

(Skrrt)

I pulled my pants down in front of like twenty thousand people  
Bitch, you ain't my equal (bbno\$, brr)  
Tarantino called me up, he said, "My bro" (My bro)  
"Let's make a fucking sequel" (Movie)  
I was first to the ring like Sméagol  
Got my money up, now I got a ego  
Woof, I'm a dog, I'm a beagle  
This amount of money ain't legal

Do-do-do-do-do  
Shit happens  
Do-do-do-do-do  
Right now  
Do-do-do-do-do  
Shit happens  
Do-do-do-do-do (Uh, uh, uh)  
Right now (bbno\$)
