

Life in da Trash

Little Big

Life, life in the trash
Give me my money
Give me my cash
Life, life in the trash
Give me my money
Give me my money

Life, life in the trash
Give me my money
Give me my cash
Life, life in the trash
Give me my money
Give me my money

Boom! Face to the floor
We are a part of blind nation
Burning down
Disappointed generation
I'm on a dead line
Keeping fucking funny smile
Do you wanna quit the system
Or you wanna break it inside

Broken souls, people insane
People insane, people insane
Broken souls, people insane
People insane, people insane
Broken souls, people insane
People insane, people insane
Broken souls, broken souls
Broken, broken, broken, souls

Broken souls, people insane
People insane, people insane
Broken souls, people insane
People insane, people insane
Broken souls, people insane
People insane, people insane
Broken souls, broken souls
Broken, broken, broken, souls

Life, life in the trash
Give me my money
Give me my cash
Life, life in the trash
Give me my money
Give me my money

Life, life in the trash
Give me my money
Give me my cash
Life, life in the trash
Give me my money
Give me my money
