I'm a hero and I'm stoned  
I'm a hero I'm a hero  
I'm a hero sex drugs and rock'n'roll

I've been so obsessed with you  
Do you want to party?  
Show you all the things I do  
Alright alright  
Hoping you can break your plans  
Meet me in the lobby  
Staying up all night to dance  
Alright alright

I'm a hero I'm a hero  
I'm a hero and I'm stoned  
I'm a hero I'm a hero  
I'm a hero sex drugs and rock'n'roll  
I'm a hero I'm a hero  
I'm a hero and I'm stoned  
I'm a hero I'm a hero  
I'm a hero sex drugs and rock'n'roll

Lost your money lost your friends  
Now you're not somebody  
Guess it's over its the end  
Alright alright  
Soon or later you'll forget  
That nobody's calling  
Realize there's nothing left  
Alright alright
