Creeping Up Appearances

Little Comets

Sunshine: keeping up the rain
Sunshine: keeping up the rain
But I don't see you falling, for that to gain

Daylight: deal at your rate
To everybody's delight: you inebriate
But I don't see you falling, for that to gain
No I don't see you falling, for that to gain

You lobby hard
Tripping on shop bought plosives
Picture this, picture this

Four holidays, two new chalets
Paid off in a week says:
It's a mess, it's a mess

Every scam, needs a new
Scam to use as a ruse
Flotsam is as flotsam is

Reset it, move on
Same mirror, old hand, new gun
Hopelessness hopelessness

But I don't see you falling, for that to gain
I don't see you falling, for that to gain

It's a little bit of sunshine: keeping up the rain
Just a little bit of sunshine: keeping up the rain

But I don't see you falling, for that to gain
No I don't see you falling, for that to gain
For that to gain
For that to gain
For that to gain
