

## Lover Chanting (Edit)

Little Dragon

Do you wanna be my girl?  
I wanna be, be your man  
Do you wanna be my girl?  
I wanna be, be your man  
Do you wanna be my girl?  
I wanna be, be your man (be your man)  
Do you wanna be my girl?  
I wanna be, be your man

Baby, I've been watchin' you  
Watchin' every move  
Baby, you've been obnoxious too  
Say what you've got to prove

No hurricanes nor the best cocaine  
Won't steal my love  
No cold black rain nor the darkest days  
Won't keep me from your love

Do you wanna be my girl?  
I wanna be, be your man  
Do you wanna be my girl?  
I wanna be, be your man  
Do you wanna be my girl?  
I wanna be, be your man (be your man)  
Do you wanna be my girl?  
I wanna be, be your man

Tried, tried  
Holding on  
Drink it all  
Force so strong  
And I got my palms on fire, oh oh  
I got my palms on fire, oh oh

Wanna be, be your man

Do you wanna be my girl?  
I wanna be, be your man  
Do you wanna be my girl?  
I wanna be, be your man  
Do you wanna be my girl?  
I wanna be, be your man (be your man)  
Do you wanna be my girl?  
I wanna be, be your man
