Rush

Little Dragon

Rush, rush, blowin', comin', goin'
Wind be blowin', rush, rush, blowin'
Rush, rush, blowin', comin', goin'
Wind be blowin', rush, rush

Take my hand and lead me in
To magic beyond compare
Look deep into my eyes, sayin'
You always been standin' there

I loved you so fast
And now I'm back where I started
Oh, I be goin' mad
Every time you say I got what I wanted

Rush, rush, blowin', comin', goin'
Wind be blowin', rush, rush, blowin'
Rush, rush, blowin', comin', goin'
Wind be blowin', rush, rush, blowin'

Far as I can see, we're playin'
And sayin' it by the book
My love be compromised
Everything shook

Where will I be goin' when your door is closed?
I be lyin' on the porch like a dyin' rose
Take me when I'm withered, when I'm bent and broke
When I'm spent and low

Rush, rush, blowin', comin', goin'
Wind be blowin', rush, rush, blowin', ooh
Rush, rush, blowin', comin', goin'
Wind be blowin', rush, rush, blowin', ooh
