

# Timothy

## Little Dragon

Playing on your own in a dusty bar  
Nobody could tell that you a star  
Nobody could feel all the pain you express  
Hey dusty diamond soon you'll outshine them

Timothy play your song ooh till the break of dawn  
Play for the mornin' moon and let it sooth  
Broken parts ooh every broken heart  
Play for the lonely one and let it run

Little blue bird you will never fit in  
That's the biggest gift you ever could get  
Passion pulled you in, pull you in on the trip  
Hey dusty diamond, soon you'll outshine them

Timothy play your song ooh till the break of dawn  
Play for the morning moon and let it sooth  
Broken parts ooh every broken heart  
Play for the lonely one and let it run

Once on the cover of a magazine  
Once everybody wanna be your friend  
Everybody everybody everybody everybody  
Everybody saying that they knew you back when  
Young dusty diamond, soon you'll outshine them

Timothy  
Timothy

Play your song ooh till the break of dawn  
Timothy play your song ooh till the break of dawn

Sending out shivers  
Now you're up on the big stage  
Girls crying rivers  
For the same lonely songs you sang  
At the old black when everybody laughed and laughed  
And laughed and laughed  
Now you're up on the big stage Timothy  
Ooh, Timothy

Everybody say  
Ooh-ooh, wow  
Ooh-ooh, wow  
Timothy, yeah

Everybody said  
Ooh-ooh, wow  
Ooh-ooh, wow  
Timothy, yeah

Everybody said  
Ooh-ooh, wow  
Ooh-ooh, wow  
Timothy, yeah

Everybody said

Ooh-ooh, wow  
Ooh-ooh, wow  
Timothy, yeah
