All, all that you dream, it comes through shining silver lining and

E E/D F#7 Fma7

clouds, clouds change the scene. Rain starts washing all love's caution

A7 C7 E

Into your life and you start to realize just what is true

E/D D7 C7 B7 E A7

What else can you do? For you just follow the rules and keep your

eyes on the road that's ahead of you.

E A E

I've been down but not like this before.

Can't be round this kind of show no more.

E E/D F#7 Fma7

All of the good, good times were ours in the land of milk and honey and

E E/D F#7 Fma7

time, time adds its scars, rainy days they turn to sunny
