

## Bow & Arrow

Little May

Hold down my void  
Lock down the window pane  
Hold down my void  
'Til I return again

Don't you walk the line  
Walk that straight and narrow  
Don't you walk the line  
We are the bow and arrow

Hold down my void  
Lock down the window pane  
Hold down my void  
'Til I return again

Don't act like you've had too much of it  
Don't act like this is our last touch again

I'll wait my turn  
Wait my turn  
Wait my turn
