

## Misty Blue

Little Milton

Oh, honey, it's been such a long, long time  
Look like I'd get you off of my mind  
Oh, baby, but I can't  
You see, baby just the thought of you, my love  
Turns my whole world a misty blue

Oh honey, just the mention of your sweet name  
Turns a flicker to a flame  
Listen to me, baby,  
When I think of all the things we used to do  
Then my whole world turns misty blue

Ohhhh, baby i know I should forget you  
Heaven knows how hard I've tried  
Baby, when I said that I'm glad we're through  
Deep in my heart I know I've lied, I've lied, I've lied

Oh, honey, it's been such a long, long time  
I thought by now I have you off my mind  
I tried but I couldn't do it  
You see baby, just the thought of you my love, my love, my love  
A thought of you turns my whole world misty blue

Ohhh, ohhh just a thought of you  
And my whole world turns misty blue

Ohhh, ohhh, baby, just the mention of your sweet name  
Turns a flicker to a bigflame

Ohhh baby, ohhh baby  
I guess you know that I still love you  
That's why a thought of you  
Turns my whole world a misty blue

Ohhh, ohhh just a thought of you  
Turns my whole world a misty blue
