That's What Love Will Make You Do

Little Milton

Oh, when I hear your name
I start to shake inside, yes I do
When I see you stroll
I lose my self-control

But that's what love will do for you
That's what love will make you do, oh yeah
No matter how hard I fight it
Oh, I'm still in love with you

Listen, if you're ever in need There's no limit to what I'll do I'll work eight days a week And give it all to you

Cause that's what love will do for you That's what love will make you do No matter how hard I fight it Oh, I'm still in love with you

Oh, that's right, alright

Listen, when they speak of beauty You can stand the test, yes you can When they talk about makin' love Baby, you're the best, but yes you are

I don't want to brag about you too much And give others ideas But I'm tryin' hard to express myself Cause baby, that's the way I feel

That's what love will do for you
That's what love will make you do, oh yeah
No matter how hard I fight it
Baby, I'm still in love with you, yeah

Oh yeah, come on, yeah, hmm
