

# Woman Across The River

Little Milton

Across the river a good woman cried  
All because a foolish man lied  
She gave up everything  
Everything that money could buy

But the man told so many lies  
There's another over there  
That woman across the river  
Sweet woman across the river  
She was mine

Word got around that he had jilted her  
Men came running from near and far  
Should've never been so foolish  
Guess I'll never

But the man that's got her now  
He's a lucky so and so  
That woman across the river  
Sweet woman across the river  
She was mine

I remember the other day about a week ago  
She said, "I don't even want to talk to you"  
'Cause I don't love you anymore  
That woman across the river  
Sweet woman across the river  
She was mine

Across the river a good woman cried  
All because a foolish man lied  
She gave up everything  
Tried to keep him satisfied

But the man told so many lies  
There's another over there

That woman across the river  
That woman across the river  
That woman across the river  
Sweet woman across the river  
She was mine
