

Cut You Off

Little Mix

Everyone's got a limit
Really saw my life with you in it
Till you walked right out (Walked right out)
Only now when I look back
Got me picking up on the red flags
Turn them all white now (All white now)

'Cause you don't wanna listen
You got me so triggered
Can't be mad about it when you handed me the scissors
Everyone's got a limit
Really pushed me there, now I've hit it
But I cut you off (Cut you off)

Someone tell me how
How did we get here?
It used to be so good
Nothing lasts forever, but I really thought we could
I know there'll be tears
But it's worth a broken heart
If I can't protect my energy, I gotta cut you off

I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off

Don't think I believe ya
Is the grass out there really greener?
Are you happy now? (Happy now?)
I know you think you're all that
It'll be so sweet when you crawl back
But it's too late now (Too late now)

'Cause you don't wanna listen
You got me so triggered
Can't be mad about it when you handed me the scissors

Someone tell me how
How did we get here?
It used to be so good
Nothing lasts forever, but I really thought we could
I know there'll be tears
But it's worth a broken heart
If I can't protect my energy, I gotta cut you off

I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-

Someone tell me how
How did we get here?

Used to be so good
Nothing lasts forever, but I really thought we could
I know there'll be tears
But it's worth a broken heart
If I can't protect my energy
I've gotta do what's best for me
I think I'm finally ready

To cut you off
(Sing, sing)

I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
I'ma, I'ma cut you off
I'ma, I'ma, I'ma c-cut you off
