

# I Will Wait

Little Mix

And I came home  
Like a stone  
And I fell heavy into your arms  
These days of darkness  
Which we've known  
Will blow away with this new sun

But I'll kneel down  
Wait for now  
And I'll kneel down  
Know my ground

And I will wait, I will wait for you  
And I will wait, I will wait for you

So break my step  
And relent  
You forgave  
But I won't forget

Know what we've seen  
And him with less  
Now in some way  
Shake off the excess  
But I will wait, I will wait for you  
I will wait, I will wait for you  
I will wait, I will wait for you  
I will wait, I will wait for you

So I'll be bold  
As well as strong  
Use my head  
Alongside my heart  
So tame my flesh  
And fix my eyes  
The tethered mind  
Free from the lies

But I'll kneel down  
Wait for now  
And I'll kneel down  
Know my ground  
Raise my hands  
Paint my spirit gold  
Bow my head  
Keep my heart slow

I will wait, I will wait for you  
I will wait, I will wait for you  
I will wait, I will wait for you

I will wait, I will wait for you
