

# Love a Girl Right

Little Mix

Oh that boy so scandalous  
Yeah he broke my girl's heart and he was on to the next  
He was cheating on the low, in the club all night  
Never seen my girl so messed up, yeah  
Out with his boys in the hip-hop spot  
She all alone wonderin' if he's comin' home or not  
For the whole damn year I was wiping up her tears  
He was livin' la vida loca

You know I'll be watchin' you  
'Cause she the baddest thing to happen to ya  
And that's the truth  
Don't make me have to hurt ya  
'Cause I know right now we're cool  
But if I ever hear you messed this up  
I'm comin' after you

So don't you treat her wrong  
Yeah, you better love a girl right, baby  
'Cause you 'bout to lose her love  
Said I, yeah you better love a girl right, alright, yeah  
'Cause you 'bout to lose her love, yeah

(Tun-da-da, dun, dun)  
(Tun-da-da, dun, dun)  
(Tun-da-da, dun, dun)  
You better love a girl right

I'll be there for my girl always  
She mean the whole world to me  
All she want is your loyalty, yeah  
She want better she don't want another 'nother mistake  
You better not risk it  
'Cause in my eyes all I'm seein' is a queen  
If you do her wrong, best believe  
She'll be livin' la vida loca

You know I'll be watchin' you  
'Cause she the baddest thing to happen to ya  
And that's the truth  
Don't make me have to hurt ya  
'Cause I know right now we're cool  
But if I ever hear you messed this up  
I'm comin' after you

So don't you treat her wrong  
Yeah, you better love a girl right, baby  
'Cause you 'bout to lose her love  
Said I, yeah you better love a girl right, alright, yeah  
'Cause you 'bout to lose her love

Oh-oh, oh-oh, love her right  
Oh-oh, oh, she'll be gone tonight  
Oh-oh, oh, I don't wanna fight  
One more chance, give me one more try

(Tun-da-da, dun, dun) Hey-yeah

(Tun-da-da, dun, dun) No-oh  
(Tun-da-da, dun, dun) Eh, yeah, oh

So don't you treat her wrong  
Yeah, you better love a girl right, baby, eh, eh  
'Cause you 'bout to lose her love  
Said I, yeah you better love a girl right, alright, yeah  
'Cause you 'bout to lose her love

Better love her  
(Tun-da-da, dun, dun) You better love her  
(Tun-da-da, dun, dun) Better love her right  
(Tun-da-da, dun, dun)  
No, no, no
