

The Cure

Little Mix

I lost my faith, made my mistakes
Gonna find a way to make it easy
I'll be better on my own, believe me
Pay no hope back, can't live like that
Yeah, I made my peace with all the sorrow
And now I'm livin' for tomorrow

I'm a girl with a new face, and a life that's been changed
You know, you know, you know?

I was a little bit lost, but I'm not anymore
I was a little bit hurt, but I'm not anymore
I was a little left out, but I'm not anymore
'Cause the tears fell down, but they don't anymore
I was a little messed up, but I'm not anymore
I was a little lucked out, but I'm not anymore
I was a little far gone, but I'm not anymore
It's alright now, baby I've got the cure

Oh... oh, oh, oh
Oh... oh, oh, oh
Oh... oh, oh, oh
Yeah, it's alright now, baby I've got the cure

Now it's me and myself, yeah, don't need no one else
This happiness was always inside me
But Lord, it took a minute to find me
And this freedom I found is worth a million you now
And I'm puttin' all my troubles behind me
I only need my heart to guide me

I'm a girl with a new face, and a life that's been changed
You know, you know, you know?

I was a little bit lost, but I'm not anymore
I was a little bit hurt, but I'm not anymore
I was a little left out, but I'm not anymore
'Cause the tears fell down, but they don't anymore
I was a little messed up, but I'm not anymore
I was a little lucked out, but I'm not anymore
I was a little far gone, but I'm not anymore
It's alright now, baby I've got the cure

Oh... oh, oh, oh, (I got the...)
Oh... oh, oh, oh, (I got the...)
Oh... oh, oh, oh, (I got the cure)
Yeah it's alright now, baby I've got the cure
Oh... oh, oh, oh, (I got the...)
Oh... oh, oh, oh, (I got the...)
Oh... oh, oh, oh, (I got the cure)
Yeah, it's alright now, baby I've got the cure

(And I) and I'll learn to love again
(Cause I) 'cause I finally understand

I was a little bit lost, but I'm not anymore (little bit, oh)
I was a little bit hurt, but I'm not anymore

I was a little left out, but I'm not anymore (little bit, oh)
'Cause the tears fell down, but they don't anymore (tears fell down now)
I was a little messed up, but I'm not anymore (tears fell down now)
I was a little lucked out, but I'm not anymore (tears fell down now)
I was a little far gone, but I'm not anymore
Yeah, it's alright now, baby, I got the cure
I was a little bit lost, but I'm not anymore (no, no more)
I was a little bit hurt, but I'm not anymore
I was a little left out, but I'm not anymore (no, no more)
'Cause the tears fell down, but they don't anymore
I was a little messed up, but I'm not anymore (no, no more)
I was a little lucked out, but I'm not anymore
I was a little far gone, but I'm not anymore (no, no more)
Yeah, it's alright now, baby, I got the cure

Oh... oh, oh, oh (I got the cure...)
Oh... oh, oh, oh (cure...)
Oh... oh, oh, oh (I got the cure...)
Yeah, it's alright now, baby I've got the cure
Oh... oh, oh, oh (I got the...)
Oh... oh, oh, oh (I got the...)
Oh... oh, oh, oh (I got the cure)
Yeah, it's alright now, baby I've got the cure
