

## Well

Little Richard

Baby, I love you  
And you know my love is true  
Swim the ocean, going to fight a tiger  
Do anything for you

It's alright, don't you know it's alright?  
Each and every day  
You can hear me say  
It's alright, oh yeah

You've been so good to me, yeah, yeah  
And I love your lovely way  
I'm moving mountain, going to stop an airplane

Do anything you say

But don't you know it's alright?  
It's alright, it's alright

Don't you know it's alright?[x4]
