

Well

Little Richard

Baby, I love you
And you know my love is true
Swim the ocean, going to fight a tiger
Do anything for you

It's alright, don't you know it's alright?
Each and every day
You can hear me say
It's alright, oh yeah

You've been so good to me, yeah, yeah
And I love your lovely way
I'm moving mountain, going to stop an airplane

Do anything you say

But don't you know it's alright?
It's alright, it's alright

Don't you know it's alright?[x4]
