

## Customz

Little Simz

Sunset touch down in Dubai  
Where the ganja's hella dank and the air is hella dry  
Remy blowing  
My shit flowing  
Thought I told ya  
Million dollar pen don't make me show ya

Yeah, curtains automatic amsterdam  
Got a couple hood niggas couple gentlemen  
Save your ass from out the hood fly your ass out to japan  
Bye to KFC have some pad thai in thailand  
Motorbikes on paris streets  
Boy you know that I'm the man-dem hollering at me  
What you saying out in London  
Airport security tryna fuck with me in customz  
Come fuck with me in customz  
'Least my team in customz  
'Least my team in  
'Least my team in

Attention

Ladies and gentlemen  
Flight 481 from San Francisco has been delayed due to... maintenance malfunction

Oooo I got my passport stamp man I'm good  
You ain't been living enjoying life the way you should  
Want you to understand me shit I been so misunderstood  
This liquor comes in handy  
Have that sprite mixed with some brandy on a beach somewhere I'm good  
One way ticket to where its at  
Out in new zealand shit I don't know when I'll be back  
Tryna get you to come fuck with me  
There's way more than just your city  
Put your finger on the map  
Choose a place  
We'll book it now just say the word  
Getting money on a low low how it all goes  
Treating all these niggas here like they been hoes  
You should fly out come and see it first hand cause' there's no way you can  
get the gist from the photos  
I ain't playing with ya  
No time for the games with' ya  
Speak up what you saying nigga  
See they want us to be small but we stay bigger  
Ain't no hiding away from the sun when the rays hit ya  
Don't worry about the images that they picture  
Your people are good here if they came with ya  
New lifestyle its a new life good things come to you if you do right  
I put your arse on a flight to my city its my city  
Ain't gotta ask you twice to ride with me  
I land they grab my bags  
Driver tell me what's the plan

I got my passport stamp boy relax  
Charge you for a feature... fuck your track  
You can't afford it

We be touring  
You ain't important  
Baggy in a make-up bag my best bitch got deported  
100 degree in babylon  
Hair laid bronx shit  
Dominican know you know this  
My shit flowing  
Remy blowing  
Ride to LAX gotta get to heathrow in the morning

Oooo stamp of approval more than you know  
This is more than approving more than you show  
Everything you hear is crucial why would I lie  
I can be the one to show you the time of your life  
When the timing is right  
Don't fight that shit  
Look me in my eyes know you like that shit  
Hella bud here better light that shit  
Ignite that shit  
Chillin man I'm easy  
Fix up look sharp when you see me  
No telling where this path might lead me  
I've never needed a man to complete me

But oh curtains automatic Mexico  
Bet you this some shit that you ain't never seen before  
Take you out of the dungeon fly your arse to Puerto Rico  
You just gotta say the word you just let me know

Fuck with me in customz (fuck with me in customz)  
'Least my team in customz ('least my team in)  
Airport security tryna fuck with me in customz  
Come fuck with me in customz  
'Least my team in customz  
'Least my team in
