

## Fallen

Little Simz

All good things gotta come to an end sometimes  
Gotta come to an end sometimes  
All good things gotta come to an end sometimes  
All good things come to an end sometimes, an end sometimes  
You want me to see what it is you see  
But I just can't believe what you believe in  
An end sometimes, all good things come to  
An end sometimes, an end sometimes  
Oh  
What do you mean, it ain't the end?  
We've just gotta know when to let it go  
Let it breathe, doesn't mean I will love you to the death  
You and I both know that it's run its course  
You and I both know that it's by force  
We are new to this, but there is truth in this  
We let it breathe, let it blossom, let it bloom to this  
But good things don't last together  
All good things come to an end in life  
But souls live on forever  
What's important to you  
Ain't important to me  
Yeah, this story's for you  
I give you all of me  
What's important to you  
Ain't important to me  
Yeah, this story's for you
