

## Reflection

Liv Dawson

How'd we get here?  
And how do I get away?  
I feel so helpless  
And I can't do this again  
You promised this time, darling  
That it wouldn't be the same  
So how'd we get here?  
And how do we make a change?

The more I run, the harder I fall  
I'm so tired and sick of it all  
Sometimes wish that I could just disappear  
Ooh ah ah  
I don't know if I love you again  
But I don't wanna have to pretend  
I'll spend my life guided by my fear

Now we're face to face, I'm standing right here  
So why don't you tell me what you need me to hear?  
Cause I can't run away, I have nowhere to hide  
So tell me the secrets that you hold deep inside

You are only my reflection  
You are only my reflection  
You are only my reflection  
You are only my reflection

Are you distracted?  
I don't feel like you're here  
I see you talking  
Why is the truth so hard to hear?

The more I run, the harder I fall  
I'm so tired and sick of it all  
Sometimes wish that I could just disappear  
Ooh ah ah  
I don't know if I love you again  
But I don't wanna have to pretend  
I'll spend my life guided by my fear

Now we're face to face, I'm standing right here  
So why don't you tell me what you need me to hear?  
Cause I can't run away, I have nowhere to hide  
So tell me the secrets that you hold deep inside

You are only my reflection  
You are only my reflection  
You are only my reflection  
You are only my reflection
