Liv Dawson

You called me when I left the taxi
Just to make sure
That I got to my door

I didn't think that this would happen
Hasn't been long
And I nearly forgot

It's almost like falling
But scared I'm not all in
'Cause what I want now, I don't know

You tick all my boxes
But my stuff's in boxes
From the last time I thought I was home

Yeah, I'm still
Pulling glass out of my hair from the last car crash and you're not my ex
But I'm broken, kinda reckless
Heart's frozen and I think it's best if we

Go slow out of the gate
'Cause I like you but I'm all over the place
Don't wanna hurt you
But can't throw this away
Can I reserve you
For when I'm ready to love again?

There's something 'bout the way you give me space to move
It makes me really want you
'Cause you got nothing to prove
And every time I think of telling you the truth
You give me no excuse

It's almost like falling
But scared I'm not all in
'Cause what I want now, I don't know

You tick all my boxes
But my stuff's in boxes
From the last time I thought I was home

Yeah, I'm still
Pulling glass out of my hair from the last car crash and you're not my ex
But I'm broken, kinda reckless
Heart's frozen and I think it's best if we

Go slow out of the gate
'Cause I like you but I'm all over the place
Don't wanna hurt you
But can't throw this away
Can I reserve you
For when I'm ready to love again?

I know life doesn't work that way
But if you stay
I promise this is worth the wait

Yeah, I'm still
Pulling glass out of my hair from the last car crash and you're not my ex
But I'm broken, kinda reckless
Heart's frozen and I think it's best if...
I reserve you

Go slow out of the gate
'Cause I like you but I'm all over the place
Don't wanna hurt you
But can't throw this away
Can I reserve you
For when I'm ready to love again?
