

Paris Paris

Liv Kristine

Le piano play
I'm doing faire de la musique
Cheesy piano play off to the funky beat
Le rock dosent fascinate me too much tonight
La cocotte-minute blends my favorite notes like a maniac
I'm just a maniac

Paris Paris you are my physical attraction
My melody on the radio en direct
Paris cherie I want your physical attraction
La chanson make you feel plusqueparfait
Olala the French girls

Le bass I like
Let's go to the la boum
Cheesy hooklines kick off to the funky beat
This is tres tres bien for my popstyle touch
I'm taking my melody a Paris for the maniacs
Cause I'm a maniac
