Stick it inside the hole in your head, cum stained brains now splatter my chest, guts and semen smeared on your tits, I'm done! f**king your brains into oblivion, planting my seed between your eyes! Skull caves in decaying mess, rancid body, full of shit, defecating rotten crusty brains! I f**k your f**king skull! Rancid piece of meat, stinking from the burning sun, fetish for the sick, won't take long for me to cum! Defecating rotten crusty brains
