Fetal Take me with your axe Eviscerate the fetus thats left Abortion by man made means Oozing, the scabs they bleed I grabbed her quick Stuck my dick in her face Said "Suck it bitch" "If you want to life" Young girls are what we crave Strangled on a noose Skewered and filleted All around bodies burn to ash Anguish and torment Your pretty little face we smash Beating the fetus 'Til it's dead... "Why won't you die?" Picking the scabs off her head Pumping faster, pumping deep My thick cock meets tight young meat Spread your legs, and you'll recieve Remove the scabs and watch them bleed I grabbed her quick

Stuck my dick in her face

Said "Suck it bitch"
"If you want to life"
