

L.B. Boogie

Livin' Blues

Down the road I go
Down the road I go
And I won't be back, I won't be back
I won't be back no more

I wanna talk to you
I wanna talk to you
Please change your way, change your way
Change your lowdown way

I went down home
But my baby was out
But I didn't know, I didn't know
What it was all about

Down the road I go
Down the road I go
And I won't be back, I won't be back
I won't be back no more
