There's no need to chase what's mine
We're still so young
Got a little time
So, let 'em know it's all good
It's all good
Tell 'em that it's all good
It's all good
You can do whatever you want
So I'ma do whatever I want
As long as you're my number 1, my number 1
As long as I'm your...

There's no need to chase what's mine
We're still so young
Got a little time
So, let 'em know it's all good
It's all good
Tell 'em that it's all good

But you blow me away, always gotta go
I'm in the Matrix, sippin' bullet time, you got me movin' slow
Get into it, isn't that poor attitude faux
Poppin' tags just like a tool but I ain't worried 'bout no hoe

I know I can't have you all to myself
So, I'ma do it like no one will
Hear me say it

Boy, we all know
