

Bubblegum

LIZ

You spit me out
When you want a taste
That's just a phase
You're gonna chase
Why so sour when you're sweet in the middle?

Drop it, pop it
On the beat
Do it with me 1-2-3
Pop it, lock it
On repeat
Be whoever you wanna be

Bite my bubblegum
Ooey-gooey-chewy
I'm comin' out my paper
'Cause I love my flavor
Bite my bubblegum
Ooey-gooey-chewy
Keep me round for later
I won't lose my flavor

Bite my bubblegum
Bite my bubblegum
Bite my bubblegum
Bite my bubblegum

I'm rubber, you're glue
All that you do
Bounces off me
Sticks onto you
Why so hard when you're soft in the middle?

Drop it, pop it
On the beat
Do it with me 1-2-3
Pop it, lock it
On repeat
Be whoever you wanna be

Bite my bubblegum
Ooey-gooey-chewy
I'm comin' out my paper
'Cause I love my flavor
Bite my bubblegum
Ooey-gooey-chewy
Keep me round for later
I won't lose my flavor

Bite my bubblegum
Bite my bubblegum
Bite my bubblegum
Bite my bubblegum

Bite my bubblegum
Bite my bubblegum
Bite my bubblegum

Bite my bubblegum
Bite my bubblegum
You spit me out
You wanna taste
Trying to take my place
I've been doing me
Now you wanna be
Whatever is trendy, hey
So next level, can't unlock it
If you cop it, then I drop it
It's so easy, can't you see?
That you will never be like me
So you can...

Bite my bubblegum
Ooey-gooey-chewy
I'm comin' out my paper
'Cause I love my flavor
Bite my bubblegum
Ooey-gooey-chewy
Keep me round for later
I won't lose my flavor

Bite my bubblegum
Ooey-gooey-chewy
I'm comin' out my paper
'Cause I love my flavor
Bite my bubblegum
Ooey-gooey-chewy
Keep me round for later
I won't lose my flavor

Bite my bubblegum
Bite my bubblegum
Bite my bubblegum
Bite my bubblegum
