I still dream of Tokyo  
I wake up crying  
You make it rain  
And you're just in reach  
When you and sleep escape me

You're like my yo-yo  
That glowed in the dark  
What made it special  
Made it dangerous  
So I bury it  
And forget

But every time it rains  
(Every time it rains)  
You're here in my head  
(Here in my head)  
Like the sun coming out  
Ooh, I just know that something good is gonna happen  
I just know that something good is gonna happen  
I don't know when  
(I don't know when)  
But just saying it could even make it happen

On top of the world, looking over the edge  
You could see them coming  
You looked too small  
In that old black tinted whip  
To be threatening them boys in power

I hid my yo-yo  
In the garden  
I can't hide you  
From the, brothers  
Oh, God, Daddy (daddy, daddy, daddy)  
I won't forget

But every time it rains  
(Every time it rains)  
You're here in my head  
(Here in my head)  
Like the sun coming out  
Ooh, I just know that something good is gonna happen  
I just know that something good is gonna happen  
I don't know when  
(I don't know when)  
But just saying it could even make it happen
