

Intuition

LIZ

I don't know how I know
But I know I wanna be with you
Intuition tells me true, oh, oh
I'm in love with you

Gonna tell what I'm thinkin'
When I look into your eyes
I get this feeling that's so deep
I know that I can't hide
And late at night
When I shut my eyes and dream you
I never felt this way before
Yeah, you know it's true

Don't deny what you feel
Come inside, our love is real
We are one within ourselves
There is no one else

I don't know how I know
But I know I wanna be with you
Intuition tells me true, oh, oh
I'm in love with you

When you're standing next to me
I always feel this chemistry
When I see your smile
You're the only place I wanna be
When we're with some people
I just wish that we could be alone
I hear your voice
And it's all I wanna know

Don't deny what you feel
Come inside, our love is real
We are one within ourselves
There is no one else

I don't know how I know
But I know I wanna be with you
Intuition tells me true, oh, oh
I'm in love with you
(I'm in love with you)
I don't know how I know
But I know I wanna be with you
Intuition tells me true, oh, oh
I'm in love with you

I'm in love with you
Oooooo ahhhhh
I'm in love with you
