

Last Call

LIZ

(Ooh ah, ooh ah, yeah)
(Ooh ah, ooh ah)

When you gonna make your move?
When we gonna do what lovers do?
When we gonna take, take, take the room?
When we gonna shake, shake, shake 'n boom?
Let's reignite it, ain't no "bye-bye" yet
I know what you likey
Last call

Feel good, that's all
Get your back up off the wall
Last call, last call, yeah

(Ooh ah, ooh ah, yeah)
(Ooh ah, ooh ah)

One more go 'round the room
One more go 'round the bed
One more go 'round my heart
One more go 'round my head

Stay late with me tonight
Let's have an afterparty, all over my body, baby
Save your best for me tonight
I'm 'bout to lose it, yeah

Feel good, that's all
Get your back up off the wall
Last call, last call, yeah

(Ooh ah, ooh ah, yeah)
Last call
(Ooh ah, ooh ah)

Feel good, that's all
Get your back up off the wall
Let's have an afterparty, all over my body, baby
Feel good, that's all
Get your back up off the wall
I know what you likey
Last call
(Last call, yeah)

One more, can ya get it?
One more, one more hit tonight
One more, can ya get it?
Can ya get it, can ya get it?
One more

Stay late with me tonight
Let's have an afterparty, all over my body, baby
Save your best for me tonight
One more hit tonight
(Ow!)

When you gonna make your move?
