

## Like Voodoo

LIZ

You're gonna live you're own life  
Give into temptation  
No, we gon' burn bright  
Stuck with me, we gon' fly high  
This ain't an illusion baby it's real life

A miracle  
It was [?]  
Should be criminal  
Oh na na na na na na na na na  
Don't listen to no one but me  
'Cause I got a trick right up my sleeve  
You're gonna see all the trouble we'll get into  
Believe in this magic I put on you

Don't you worry, don't be nervous  
I'ma take good care of you  
Pick your poison, make your choice  
And I can show you something new  
Oh oh, a-oh  
Down on your knees got you praying to me  
Oh, oh, a-oh  
You're under my spell like voodoo  
You're under my spell like voodoo  
You know you can't refuse  
I got my hooks in you  
Don't try to fight the truth  
You're under my spell like voodoo

[?] and a sinner  
Got everyone thinking we got a winner  
In a trance, enchanted  
Do me supreme, [?]

A miracle  
It was [?]  
Should be criminal  
Oh na na na na na na na na na  
Don't listen to no one but me  
'Cause I got a trick right up my sleeve  
You're gonna see all the trouble we'll get into  
Believe in this magic I put on you

Don't you worry, don't be nervous  
I'ma take good care of you  
Pick your poison, make your choice  
And I can show you something new  
Oh oh, a-oh  
Down on your knees got you praying to me  
Oh, oh, a-oh  
You're under my spell like voodoo  
You're under my spell like voodoo  
You know you can't refuse  
I got my hooks in you  
Don't try to fight the truth  
You're under my spell like voodoo

A blessing, a curse  
For better, for worse  
'Cause baby love hurts  
A blessing, a curse  
For better, for worse  
'Cause baby love hurts

You know you can't refuse  
I got my hooks in you  
Don't try and fight the truth  
Under my spell like, under my spell like voodoo  
Voodoo, voodoo, voodoo  
You're under my spell like, under my spell like voodoo  
Voodoo, voodoo, voodoo  
You're under my spell like voodoo
