I'm a rockstar  
Ducati monster  
Skydive high, no instructor  
Jetski wet in the Maldives  
Titanic diamond, no Swarovski

You want it  
Can you afford it?  
Will you support it?  
Let me extort it, yeah  
My heart is a black card  
Gon' need a bodyguard  
To protect your bankroll  
To play the lottery  
You gotta risk riskin' it all, all  
Go on, boy, just

Put your bets on me  
Put your bets on me  
Put your bets on me  
Throw the dice 'n roll it, babe  
Put your bets on me  
Put your bets on me  
Put your bets on me  
Throw the dice 'n roll it, babe

I'ma deep dive, poolside Dubai  
Better view than Eye in the London sky  
Formula One race in Monaco  
Pick up the pace, no slow mo'

Poppin' all the Cris, and you ain't on the list

Wrist on Baptist

We in the four-door and it's like a praying mantis

My heart is a black card  
Gon' need a bodyguard
