

Sunrays

LIZ

I don't wanna be rude, boy
But I love the way you get down
That uncontrollable smile
With supernatural style

We got nothing to lose, boy
Put your worries there on the side
I got the keys, so let's drive
Come on, hop in, yeah let's ride yeah

Gimme that something to talk about, talk about, talk about
Gimme that light I can't live without, live without, live without

Your love is calling me, calling me
I just wanna feel real good for goodness sake
Your touch is all I need, all I need
Life is getting hard enough, let's getaway
We're chasing sun-rays

Your love is calling me, calling me
Calling me, calling me
Calling me
We're chasing sun-rays
Your touch is all I need, all I need
All I need, all I need
All I need
We're chasing sun-rays

Lovin' your attitude, boy
Yeah, you putting me in the mood
I got some things we can do
I'm sure that you will approve

Got me under your power
Yeah, you put me under you spell
When we kiss, you don't tell
Your touch, it do me so well, yeah yeah

Gimme that light I can't live without, live without, live without
