

# Your Getaway

LIZ

I heard you like me bad  
With a touch of crazy  
That type of full throttle, super speed racing  
Rush of adrenaline, get your knees shaking  
A hundred miles a minute  
Make you ooo ooo ooo ooo

Eureka  
Bumpin' the speaker  
Such a thrill seeker  
Sweat like a fever  
You need it  
Act like you mean it  
Get yourself screamin'  
Show what you're feelin'

You got nothin' to lose  
Hop in the ride  
Time to go for a cruise  
Blowin' your mind  
Get to breakin' the rules  
Cause you're gonna find  
Bang Bang, baby!  
I could be your getaway  
We got rubber to burn  
And places to go  
Yeah, you're gonna learn  
We ain't takin' it slow  
Set out an alert  
Cause we're hittin' the road  
Bang Bang, baby!  
I could be your getaway

So, come one, baby  
Let me teach you a little somethin'  
A new flavor  
Way to get our heart pumpin'  
So, if you're down  
Then you better get to jumpin'  
I know that you're with it  
Make you ooo ooo ooo ooo

Eureka  
Bumpin' the speaker  
Such a thrill seeker  
Sweat like a fever  
You need it  
Act like you mean it  
Get yourself screamin'  
Show what you're feelin'

You got nothin' to lose  
Hop in the ride  
Time to go for a cruise  
Blowin' your mind  
Get to breakin' the rules  
Cause you're gonna find

Bang Bang, baby!  
I could be your getaway  
We got rubber to burn  
And places to go  
Yeah, you're gonna learn  
We ain't takin' it slow  
Set out an alert  
Cause we're hittin' the road  
Bang Bang, baby!  
I could be your getaway

So, clap your hands like  
You livin' your best life  
Quit bein' uptight  
We goin' all night  
So, clap your hands like  
You the touch-n-go type  
Runnin' those red lights  
Think I will  
You damn right

You got nothin' to lose  
Hop in the ride  
Time to go for a cruise  
Blowin' your mind  
Get to breakin' the rules  
Cause you're gonna find  
Bang Bang, baby!  
I could be your getaway  
We got rubber to burn  
And places to go  
Yeah, you're gonna learn  
We ain't takin' it slow  
Set out an alert  
Cause we're hittin' the road  
Bang Bang, baby!  
I could be your getaway
