

# Closest To Me

Liza Anne

Oh, I'm gonna hit you where it hurts because  
I know what to say to make it worse  
I always get the last word in  
Somehow I never seemed to learn it

Closest to me, I always hurt the closest ones to me  
Closest to me, I always hurt the closest ones to me

Oh, no no no

I speak before I know what I mean  
Talk through my ego not my thinking  
Stomp around gonna throw myself a tantrum  
Even if it's with the best intention  
Don't give me that look that I hate  
Like every word I said was a mistake  
How'd you really think it would go over  
Warming up to my cold shoulder

Closest to me, I always hurt the closest ones to me  
Closest to me, I always hurt the closest ones to me

Oh, no no no

Yeah, yeah, yeah, yeah I know, I know, I know that I  
Should apologize (apologize, apologize, apologize)  
Oh, but I'm sorry  
I'm sorry  
Oh god, I'm sorry

Closest to me, I always hurt the closest ones to me  
Closest to me, I always hurt the closest ones to me  
Closest to me, I always hurt the closest ones to me  
Closest to me, I always hurt the closest ones to me

Oh, no no no
