

# Rubble

Liza Anne

I only ever love you when I'm lonely  
I only ever miss you in the dark  
I only ever crave you in the morning  
When the rubble of the night is on my mind

I only ever see you in the flashing  
The faces of the passerby's  
I only ever cry about your passing  
When the rubble of the night is on my mind  
When the rubble of the night is on my mind

And, I will always love you  
You know, I do

I only ever sing about it softly  
Small hallelujahs to the stars  
I only ever talk about it lightly  
O keep the rubble of the night off my mind  
To keep the rubble of the night from my mind

And, I will always love you  
You know, I do  
You know, I do  
You know, I do  
You know, I do  
I will always love you  
And, I will always love you  
You know, I do
