

## Turn For The Worse

Liza Anne

Can we talk in the morning?  
I'm no use tired and upset  
Oh, just leave it out for the morning  
It'll sleep fine in our bed

I don't wanna think about it  
Don't wanna empathize  
It's too late at night

We always said we shouldn't talk like this  
You're frustrated, we should sleep on it  
And a stubborn mind should learn to quit while it's ahead  
And I can tell I hit a nerve with you  
That's what talking late at night will do  
Taking turns for the worse

I can say anything I mean  
When it's past midnight and I've been drinking  
Oh, and we'll just get mad and emotional  
If we try to face it when we should be sleeping

I don't wanna think about it  
Don't wanna empathize  
It's too late at night

We always said we shouldn't talk like this  
You're frustrated, we should sleep on it  
And a stubborn mind should learn to quit while it's ahead  
And I can tell I hit a nerve with you  
That's what talking late at night will do  
Taking turns for the worse

We always said we shouldn't talk like this  
You're frustrated, we should sleep on it  
And a stubborn mind should learn to quit while it's ahead  
And I can tell I hit a nerve with you  
That's what talking late at night will do  
Taking turns for the worse
