

## Maybe Soon

Liza Minnelli

Maybe soon, or maybe not,  
Maybe just a breath away,  
Will love come,  
Or did it pass me yesterday?

Maybe Fall, or maybe Spring,  
Will it soon be mine to touch?  
Will it be,  
Or do I dream a bit too much?

I close my eyes and imagine someone  
Sharing my troubles, my fun,  
And a boy comes to mind when I daydream,  
And he's always the same one!

Maybe soon, or not at all,  
Am I foolish to believe?  
Or will these hopeful arms receive their someone?  
Just maybe, it may just be soon!

Or will these hopeful arms receive their someone?  
Just maybe, it may just be soon!
