

In From The Storm

Lizz Wright

Well I, just came back today
I just came back from the storm
Hey, hey, hey
I said, I just came back, baby
I just came back from the storm
Hey, hey

Well, I did not know it then
But I was sufferin'
Sufferin' for my love to keep me warm
Hey, hey, hey
It was so cold and lonely
The wind and cryin' blue rain were tearing me up
Tearing me up
Said, it was so cold and lonely
The wind and cryin' blue rain were tearing me up
Hey, hey, hey

I wanna thank you my sweet darling
For digging in the mud and picking me up
Thank you, baby
Thank you, baby
Thank you, baby

It was a terrible rain that was burning my eyes
It was you my love who brought me in
And I love you so much
I'll never stray from you again
Hey, hey, hey...
Thank you, baby
Thank you, baby

I said, I just came back today
I just came back to get my baby on her way
Yeah, yeah, yeah
I said, I just came back today
I just came back from the storm
Hey, hey, hey
