

# Sparrow

Lizz Wright

Sweet sparrow, I miss your song  
Why have you been gone for so long?  
I know you're out there somewhere flying on your own  
When you're done with trouble find your way back home

I know the wind is rising throwing everything  
Tears, clouds and ashes make it hard to sing  
I'll be your refuge, come into my arms

Let it rain  
Let it rage  
Stay with me  
Stay my love  
Let the pain  
Wash away  
Everything  
We don't need

O duro de min

O duro ifè min

Tché oduro odemi

Remember the storm that broke the lake  
We were so young, so afraid  
Standing there in the doorway  
Whispering to God  
Praying for mercy

Oluwa dahoun  
Mon gbadura yin

Oluwa dahoun  
Mon gbadura yin

I looked at you through howling rain  
We started singing that old song again  
Our voices rising  
Aburo min da houn

Turning and turning  
Aburo min walé o

Verse over chorus

Let it rain  
Let it rage  
Stay with me  
Wa lé ooo

Stay in love

Let the pain  
Wash away  
Everything  
We don't need

Wa lé ooo

Let it rain  
Let it rage  
Stay with me  
Wa lé ooo

Wait my love

Cause we gonna rise  
we gonna rise up singing  
This is how we move  
Wa lé aburo

We gonna rise up singing

This is how we wait my love, yeah  
We gonna rise up singing  
Oh stay with me  
Wa lé aburo

We gonna rise up singing

Wait with me my love  
We gonna rise up singing  
Sweet sparrow  
Wa lé aburo

We gonna rise up singing  
Sweet sparrow  
We gonna rise up singing  
Sweet sparrow

Oh okan min

Oh n'duro dé è o

Ki ifé min di mon rè o

Oh okan min

Oh n'duro dé è o

Ko walé

Ki ifé min di mon rè o

Oh okan min
