

Sweet Feeling

Lizz Wright

You picked me up
When nobody else could
You done things for me, oh darling
That nobody else would
Oh yes you did
You gave me your heart
But I couldn't be true
Yet I still got that same sweet feeling for you
Baby

We had a love
Beyond compare
I know we did
When I needed you, oh darling
You were always there
Oh yes you were
I had my chance
But I couldn't come through
But I still got that same sweet feeling for you
Baby

I got that feeling
Every time I hear your name
That old lonesome feeling
Coming back again
I got that feeling
In the middle of the night
That's when I need you
Tell me everything is all right

Won't you come on home
Come on the way you belong
I hope you will
Please forgive me
For doing you wrong
I hope you will
I'm so sorry
For all the pain I put you through
But I still got that same sweet feeling for you
Baby

I got that feeling
Every time I hear your name
That old sweet feeling
Keeps coming back again
I got that feeling
In the middle of the night
That's when I need you, need you darling
Tell me everything is all right

Come on home
Come on the way you belong
I hope you will
Please forgive me
Forgive me for doing you wrong
Baby I'm so sorry
For all the pain I put you through

But I still got that same sweet feeling for you
Baby

Yes
I got that feeling
In the middle, the middle of the night
Oh yes
I need you, baby
I need you, baby
