This Is

Lizz Wright

This is magic , this is new beginnings
This is come into my life , come into my life

This is sunshine , this is how we're livin'
This is come into my life , come into me

This is almost , this is all I wanted
This is come into my life , come into me
Oh oh oh , take me home

When I first met you I almost wanted to run away
What is this , my heart

Now I'm standing and I'm so sure you're the one for me
Oh oh oh , take me home

This is magic , this is new beginnings
Come into my life , come into my life

It's sunshine , this is how we're livin'
Come into my life , come into me

And I will love you , I will love you
Always , I'll never stop

I'm gonna love you , yeah baby always

I will never stop
I'll never stop

Oh oh oh don't you want to take me home

This is magic , this is new beginnings
Come into my life , come into my life

This is sunshine , this is how we're livin'
Come into my life , come into me

This is almost it's everything I wanted
Come into my life , come into me

Oh oh oh don't you want to take me home
'Cause I'm going to love you
I know I'm gonna love you
Yeah yeah , I say always , I'll never stop
Where ever you are , always
I'm gonna be right there
Yeah , I say always baby
You can call on me yeah yeah
Oh always I will be there and I'll never stop
Always I will be there and I'll never stop
