

# To Love Somebody

Lizz Wright

There's a light  
A certain kind of light  
That's never shown on me

I want my whole life to be  
Lived with you. Lived with you  
There's a way  
Everybody say  
To do every every little thing  
What good does it bring  
If I ain't got you. If I ain't got you

You don't know what it's like  
Honey you don't know what it's like  
To love somebody to love somebody  
The way that I love you

In my brain  
I see your face again  
And I know my frame my frame of mind  
You don't have to be so blind  
Oh but I'm blind... yes I'm so blind

I'm a woman  
Can you see what I am  
I live and I breathe I live and breathe for you  
What good what good does it do  
If I ain't got you if I ain't got you

You don't know what it's like  
Honey you don't know what it's like

To love somebody to love somebody  
The way that I love you  
Hey to love somebody to love somebody  
The way I love you the way I love you the way I love you  
Hey you don't know what it's like  
Oh you don't know what it's like  
To love somebody the way I love you
