

# Wash Me Clean

Lizz Wright

You swim  
Swim through my veins

Drown me  
In your reign

My desire  
Carries no shame  
My will  
Will harbour no pain

Wash  
Wash me clean  
Mend my wounded seams  
Cleanse my tarnished dreams

You swim  
Swim through my veins

Drown me  
In your reign

Wash  
Wash me clean  
Mend my wounded seams  
Cleanse my tarnished dreams

Drink  
Drink from my spell  
Quench  
Love's drying well

Wash  
Wash me clean  
Mend my wounded seams  
Cleanse my tarnished dreams
