Lizzo

Hey boy  
What you say boy  
You tryna play coy  
Like a game boy  
Hit my phone boy  
Is you home boy  
Are you alone boy  
Come give me dome boy  
Got a boy with the grease  
A boy in the streets  
A boy on his knees  
He a man in the sheets  
Sheesh, it's all Greek to me  
Got this boy speaking Spanish, ai papi

Baby I don't need you  
I just wanna freak you  
I heard you a freak too  
What's two plus two  
(Four, three, two, ow!)

Boy

I like big boys, itty bitty boys  
Mississippi boys, inner city boys  
I like the pretty boys with the bow tie  
Get your nails did, let it blow dry  
I like a big beard, I like a clean face  
I don't discriminate, come and get a taste  
From the playboys to the gayboys  
Go and slay boys, you my fave boys

Baby I don't need you  
(Oh I don't need)  
I just wanna freak you  
(Oh I want it now)  
I heard you a freak too  
(That's right)  
What's two plus two  
(Four, three, two, ow!)
