Lizzo

Hoppin' on it, hoppin' on it, hoppin' on it  
Hop-hoppin' on it, hoppin' on it, hoppin' on it  
Droppin' on it, droppin' on it, droppin' on it  
Drop-droppin' on it, droppin' on it, droppin' on it  
Bad bitches know they like to hop on the wood  
Thick bitches know they wanna hop on the wood  
Hoppin' on it, hoppin' on it, hoppin' on it  
Drop-droppin' on it, droppin' on it, droppin' on it

Bunny hoppin', never stoppin', Yitty droppin', titty poppin'  
When I'm in your city, got the motherfuckin' city rockin'  
Take my number, we can lock in, 3 o'clock and boots is knockin'  
He my favorite eater, he a motherfuckin' coochie goblin  
Boy, you all talk, I'm about that action  
Eat it so good, I put it in a caption  
You said it's big, ooh, you better not be cappin'  
I'll make 'em tap out if I really tap in  
Big fine woman, yeah, you know what it was  
How your ass snug as a bug in a rug?  
Yeah, I'm a pop bitch, but I like to pop shit  
Come get a hug, sexy little thug  
Back it on up like a U-Haul truck  
Throwin' that cash all up on that ass  
Money keep comin', so we spend it fast  
Bitch, these diamonds, this ain't glass

Hoppin' on it, hoppin' on it, hoppin' on it  
Hop-hoppin' on it, hoppin' on it, hoppin' on it  
Droppin' on it, droppin' on it, droppin' on it  
Drop-droppin' on it, droppin' on it, droppin' on it  
Bad bitches know they like to hop on the wood  
Thick bitches know they wanna hop on the wood  
Hoppin' on it, hoppin' on it, hoppin' on it  
Drop-droppin' on it, droppin' on it, droppin' on it
