

Let 'Em Say

Lizzo

[Chorus: Lizzo]

Let 'em say what they gonna say
They gon' feel how they gonna feel
And I love it
I love it and baby
Hey, you should too

[Chorus: Caroline Smith]

So let 'em say what they gonna say
They gonna feel how they gonna feel
But I love it
I love it, baby
Hey, you should too

[Verse 1: Lizzo]

I'm just as thick as my skin is
I feel the water rolling down my back
Precipitation's so repetitive
I read this all before
Interrogation to my hometown
Your comments leave me such a nasty taste
Can't feel the sound
Swish all around
A palette-cleanser for your salty mouth

[Pre-Chorus]

I know they'll never get enough
They don't get it, they don't get it
But if you're giving in then don't you change
Cause living was the best revenge

[Chorus]

Don't pay them no mind

[Verse 2: Caroline Smith]

I'm not as thick as my skin is
Trying to stay strong
Stay tuned out of the dark but
When you're running the business
I wish it was easy
Trying to work like a boss but
They keep shaking my patience
Don't wanna think like a man
Or look like a model
I wanna look like my momma
Five foot two and a natural woman

[Pre-Chorus]

[Chorus]
