

# Still Bad

Lizzo

I'm 'bout to throw my phone away  
Can't let my girls know bro been fucking with my day  
He act like he can't be replaced, okay  
Well, he gon' hate to see me leave but love to watch me walk away

He knocked me down  
Thought I'd never get my fine ass off the ground, oh  
But I'm ready now  
Feeling crazy lately, baby, let's go out

I don't need him, I need a drink  
Let's turn this pain into some champagne, baby  
Like cheers, bitch, it's been a day  
Might take that last flight out to Vegas, what y'all think? (Okay)  
I don't need him, I need a drink  
I don't know why life been so fucked up lately  
But after everything  
I'm still surviving, and I'm still bad, baby  
So bitch, I can't complain

I'm still bad, babe

Plot twist, I'm doing great  
I make that been-through-shit look sexy anyway  
I don't need him, I need to throw ass, been a minute  
Break fast with my bitches  
Real love, real life, damn, I been missing

He knocked me down  
I thought I'd never get my fine ass off the ground, oh  
But I'm ready now  
Feeling crazy lately, baby, let's go out, ooh

I don't need him, I need a drink  
Let's turn this pain into some champagne, baby  
Like cheers, bitch, it's been a day  
Might take that last flight out to Vegas, what y'all think? (Okay)  
I don't need him, I need a drink  
I don't know why life been so fucked up lately  
But after everything  
I'm still surviving, and I'm still bad, baby  
So bitch, I can't complain

I'm still bad, babe

Who's bad?  
I'm still bad, babe

Don't stop, get it, get it  
She back in the building  
Still bad, don't forget it

I'm still bad, babe

Don't stop, get it, get it  
She back in the building  
Still bad, don't forget it

I don't need him, I need a drink  
Let's turn this pain into some champagne, baby  
Like cheers, bitch, it's been a day (Oh, been a day)  
Might take that last flight out to Vegas, what y'all think? (Okay)  
I don't need him, I need a drink  
I don't know why life been so fucked up lately (Hey, baby)  
But after everything  
I'm still surviving, and I'm still bad, baby  
So bitch, I can't complain
